

Hello & Welcome to the Mountain Crest Community! My name is Lynette Francis, I am your Lifestyle Director. I cannot wait to meet you in person and find out how I can enrich your day-to-day lifestyle. Here at MC, we have started over 30 special interest clubs, fitness classes, pickleball & tennis club as well concert events, holiday celebrations and many other opportunities to meet, gather and get to know your neighbors. Tennis courts and Pickleball courts are unlocked and available without reservations currently. Please check the Club schedules available by email request to the Lifestyle Director for both Pickleball & Tennis, they do have reserved day & times.

For Clubhouse rental availability you can send a request to me by email. All documents for rentals, rules and regulations are located on the HOA portal. Make sure to sign on the Fieldstone HOA portal to receive communications from Management and the Lifestyle Program.

Currently, we are experiencing a global crisis with Covid 19 and that has slowed us down for the moment. Do not let that disappoint you too much! I am working every day on creative ways for us to enjoy the Amenities and Events within the guidelines I am given to follow.

I encourage you to feel free to reach out so we can connect and get to know each other better. I am always available to meet in person and email or by phone if you need more information or have suggestions. The Lifestyle Program is always looking for helping hands and if you are interested in volunteering please email me directly.

Please visit our new homeowner portal at www.fieldstonerp.com/resident-login to access your account balance and sign up to receive communications from your association! If you have issues creating a login please contact ComWeb at Support@ComWeb4me.com. Be sure to include the name of your association and that you are a client of Fieldstone.

Once Again Welcome! You have just joined an amazing community and we are so thrilled to have you as a new neighbor.

Be safe & well,

Lynette Francis
